

voestalpine High Performance Metals (Australia) Pty Ltd

GENERAL DISCLAIMER

voestalpine High Performance Metals (Australia) Pty Ltd is not liable to you or to anybody else for any loss in connection with use of this web-site or a linked web-site. This general disclaimer is not restricted or modified by any of the following specific warnings and disclaimers.

SPECIFIC WARNINGS AND DISCLAIMERS:

voestalpine High Performance Metals (Australia) Pty Ltd is not liable, nor does it guarantee the accuracy, completeness and currency of the information made available on this web-site or for any consequences that result from the use of this information.

voestalpine High Performance Metals (Australia) Pty Ltd does not warrant the accuracy and correctness of the information contained on this site, nor is it responsible for any damage resulting from the use of the information on this site and the information on this site is not comprehensive, or if that information is not up to date. You as the user must make your own assessment of it and rely on it wholly at your own risk. Where liability cannot be excluded, any liability incurred by voestalpine High Performance Metals (Australia) Pty Ltd in relation to the use of this web-site or the content is limited as provided under the Trade Practices Act 1974 (Section 68A). voestalpine High Performance Metals (Australia) Pty Ltd will never be liable for any indirect, incidental, special or consequential loss arising out of the use of this web-site including loss of business profits.

voestalpine High Performance Metals (Australia) Pty Ltd is not responsible to you or anybody else for any loss suffered in connection with the use of this web-site or any of its content. This includes, but is not limited to, the transmission of any computer virus. voestalpine High Performance Metals (Australia) Pty Ltd excludes to the maximum extent permitted by law, any liability which may arise as a result of the use of the web-site, its content, or the information on it.

voestalpine High Performance Metals (Australia) Pty Ltd may, from time to time, change or add to this web-site (including these terms of use) all the information, contents, products or services without notice. However, voestalpine High Performance Metals (Australia) Pty Ltd does not undertake to keep this web-site updated.

The contents, including images and the design of voestalpine High Performance Metals (Australia) Pty Ltd Web-site are subject to copyright protection, trademark protection and other laws protecting intellectual property irrespective of any designation. Any product and company names mentioned on this web-site may be the trademarks of other people or entities.

You must not use any of our copyright or trademarks in or as the whole or part of

voestalpine High Performance Metals (Australia) Pty Ltd

your own trademarks, in connection with activities, products or services which are not those of voestalpine High Performance Metals (Australia) Pty Ltd in any manner which may be confusing, misleading or deceptive or in any manner that disparages voestalpine High Performance metals (Australia) Pty Ltd or its information, products or services (including this web-site).

voestalpine High Performance Metals (Australia) Pty Ltd

If you use any of voestalpine High Performance Metals (Australia) Pty Ltd copyright or trademarks to refer to its activities, products or services you must include a Statement contributing that copyright or trademark to voestalpine High performance Metals (Australia) Pty Ltd

The implication of anything contained in this web-site is permitted only for personal or informative use. Any other duplication, distribution, reproduction or transmission or other use including, without limitation the use of texts, parts of texts, image material or software that may directly or indirectly be retrieved from this web-site is permitted only with the prior written consent of voestalpine High performance Metals (Australia) Pty Ltd.

This web-site may contain links to other web-sites. Those links are provided for convenience only and may not remain current or be maintained. Links to those lined web-sites should not be construed as any endorsement, approval, recommendation or preference by voestalpine High Performance Metals (Australia) Pty Ltd of the owners or operators of the linked web-sites or for any information, products, or services referred to on those other web-sites.

Unless stated otherwise on this web-site voestalpine High Performance Metals (Australia) Pty Ltd has no relationship with the owners or operators of those linked web-sites and has no control over or rights in those linked web-sites.

These terms of use are governed by the laws in force in New South Wales, Australia and you submit to the non exclusive jurisdiction of the Courts of New South Wales, Australia and any Courts which may hear appeals from those Courts in respect of any proceedings in connection with the terms of use of this web-site.

Nothing contained in these terms of use derogates from voestalpine High Performance Metals (Australia) Pty Ltd right to comply with law enforcement requests or requirements relating to your use of this web-site or information provided to or gathered by voestalpine High Performance Metals (Australia) Pty Ltd with respect to that use.

PRIVACY STATEMENT

voestalpine High Performance Metals (Australia) Pty Ltd respects your privacy. We have developed our own privacy principles, which embody the Australian Privacy Principles (APP's) as set out in the Privacy Act 1988 (amended by the Privacy Amendment Act 2012) and the changes from 10 NPP's to 13 APP's. voestalpine High Performance Metals (Australia) Pty Ltd also complies with the Spam Act 2003, which deals with restrictions on sending emails.

voestalpine High Performance Metals (Australia) Pty Ltd publishes electronic addresses on this web-site to facilitate communication relating to its business function. This is not to be inferred as consent for voestalpine High performance Metals (Australia) Pty Ltd or the relevant addressees to receiving unsolicited commercial electronic messages or Spam.

voestalpine High Performance Metals (Australia) Pty Ltd

PRIVACY POLICY

voestalpine High Performance Metals (Australia) Pty Ltd and entities controlled by it are subject to the Australian Privacy principles in the Privacy Act 1988 (CTH) and as amended by the Privacy Amendment Act 2012.

voestalpine High Performance Metals (Australia) Pty Ltd

This privacy policy and disclosure statements explains in general terms how voestalpine High Performance Metals (Australia) Pty Ltd protects the privacy of your personal information under the Australian Privacy Principles. voestalpine High Performance Metals (Australia) Pty Ltd welcomes your interest in our group and its products.

In order to be able to comprehensively fulfill your information request, voestalpine High Performance Metals (Australia) Pty Ltd may ask you to submit personal information.

Submission of personal information is to be provided by you voluntarily. When you visit this web-site or download information from it, our internet service provider (ISP) makes a record of your visit and records the following information:

- (a) You internet address
- (b) You domain name, if applicable
- (c) Date and time of your visit to the web-site

voestalpine High Performance Metals (Australia) Pty Ltd may use information submitted by you voluntarily to provide and market its services to you and to enhance and develop its relationship with you. We may share your information with other members of our group of companies whether in Australia or globally.

voestalpine High Performance Metals (Australia) Pty Ltd may disclose your information to service providers, agents, contractors and strategic partners from time to time to help it to provide and market its services to you. I

If voestalpine High Performance Metals (Australia) Pty Ltd does this, it generally requires these parties to protect your information in the same way as voestalpine High Performance Metals (Australia) Pty Ltd does.
