

Certificate of Approval

This is to certify that the Management System of:

voestalpine Stahl GmbH

voestalpine-Straße 3, 4020 Linz, Austria

has been approved by LRQA to the following standards:

ISO 14001:2015

Approval number(s): ISO 14001 – 00794680

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Production and sale of coke, hot metal, crude steel, sinter, lime, hot-rolled sheet and strip, cold-rolled sheet and strip, coated sheet and strip, non-oriented electrical steel, ferric oxide, ferrous sulfate, metallurgical by-products, heavy plates, cut steel strips, steel blanks and steel castings including services as Rail transportation, roadway transportation and shipping services, Energy-/ process media supply (power, water, steam, gas), plant maintenance and engineering, testing technology & analyses and plant security services. Extraction and mineral processing of lime-stone and further treatment to burned lime. Design, manufacture and distribution of steel castings, non-ferrous metals castings, heavy plates, clad plates, multi-layer plates, plate cuttings and plate pressings. Manufacturing of longitudinally cut steel strips, cut plates, steel blanks, cut shapes, parts and components. Plant Fire Brigade (Department) and Plant Security Service. Rail transportation, roadway transportation and shipping services at site Linz of voestalpine; Planning, engineering, administration, and maintenance services for roadway and rail cars (including fueling/mechanical services), track infrastructure and security/safety installations. Contract logistics, customs clearance and forwarding services. Implementation of technical training and advanced training for railway employees and personnel for the transport sector, by the LogServ Verkehrsakademie. Performance of railway services. Manufacture and distribution of laser-welded tailored blanks and blanked parts.

Paul Graaf

Area Operations Manager, Europe
