

# SAVE THE DATE

We are pleased to welcome you at our WIRE TECH DAY by voestalpine Wire Technology.

## Experience PERFORMANCE IN WIRE:

At the WIRE TECH DAY on October 17<sup>th</sup> in Lyon, an exciting program begins at 09:00 a.m. 3 topic highlights await you during the morning's informative presentations:

1. **Wire product portfolio:** Discover our wide range of wire products and their various applications.
2. **greentec steel:** Learn more about our efforts in the field of sustainable wire production and the use of environmentally friendly materials. Join us on our road to green wire.
3. **Innovation, Research & Development:** Learn about our innovative approaches, latest developments, and opportunities for collaboration.

You will also have the opportunity to get all your questions answered by our experts during a Q&A session. The event will conclude with networking and lunch at 01:00 p.m.

## Pre-Event - 5 "Basic" Olympic Sports Activities:

- » As a pre-event to the voestalpine Wire Tech Day, we offer you an easy and accessible to all event on October 16<sup>th</sup> starting at 02:00 p.m. at the MatMut Stadium - Lyon Olympique Universitaire Rugby. Don't forget your sportswear.

Come and enjoy recreational activities open to all, as well as a get-together with snacks and drinks. At the end of the day, we invite you to enjoy a culinary evening with cocktails and dinner at the NH Hotel to end the first day with us.
